On the occasion of your retirement, I am sending you this personal message in recognition of long and effective service to your Government.

You have served your country loyally and faithfully for more than thirty-two years. This period includes service with the War Department, Department of Labor, and the Department of Justice as well as with this Agency.

Your expert and intimate knowledge of immigration laws, regulations, and procedures applied throughout your nine years of service with this Agency has contributed in great measure to the successful accomplishment of our responsibilities in alien affairs. You can take just pride in the knowledge that the devotion and perseverance which you have displayed throughout your career have been consistent with the high ideals and traditions of Federal service.

Along with your many friends here in the Agency, I extend best wishes for full enjoyment of the coming years.

Sincerely,

P
